

Meeting 10

- Before the Meeting
 - **Make sure you pick a spot where you could pray quietly for 30-45 minutes uninterrupted.**
 - **Rail on them to come prepared this meeting!** Make sure they are asking Crossroad(s) Map people how they can pray for them! They need to come prepared to pray. It is such an exciting meeting to practice what you've learned. You won't just talk about praying, you will actually pray together! You can't do that together if everyone doesn't come ready to pray.
- Step 3
 - Quickly discuss what stuck out to you regarding the ACTS method of prayer (5-10 minutes max).
- Skip to Step 5
 - Pray together using what you prepared in Step 4 (according to the instructions)
 - Since I like order, here is how I would structure the prayer time.
 - ***Starting with the leader and going clockwise, everyone prays through their:***
 - Adore Section, *recognizing God for who he is.*
 - ***Continue the same process for the:***
 - Confess Section, *recognizing who they are before God.*
 - Thanksgiving Section, *recognizing God for what has done.*
 - Supplication, *prayer requests for oneself, family, and **unbelievers on Crossroad(s) Map** (GO from last time).*
- Step 6
 - This is the 2nd example of a pre-determined GO for the group. All you need to do is determine the HOW and WHEN again.
 - **Ensure we are praying for the salvation of these**
