

## Meeting 12

- Before the Meeting
  - Send them this link: <http://yourgogroup.org/meeting-materials/meeting-12/>. Tell them to watch the video beforehand to save time.
- Step 1
  - **Have another group member pray using the ACTS method.**
    - Tell the group to take this practice seriously.
      - Practice makes permanent.
      - If you practice this, your prayers won't be complaints, calls to room service, or wishes to a genie in a bottle.
      - Instead they will be biblical, God-glorifying requests that delight the heart of God.
- Step 3
  - Discussion Questions that I Recommend:
    - If someone is married in the group: **Try and do all 5 questions.**
    - If single: **Questions 1-4**
  - Tools
    - There are a lot of helpful resources and example risks for this meeting. I would peruse through them as a group.
- Step 5
  - **Have a different group member pray to close using the ACTS method.**
- Next Meeting Objectives
  - All they need to do is read through Step 3 (pg 79-80). It should take no more than 5 minutes.
