

Meeting 9

- Before Meeting
 - Checkup individually with everyone in the group (phone call, email, or text).
 - Have the group watch the first video for this lesson. It is at the top of the page. Send this URL: <http://yourgogroup.org/meeting-materials/meeting-9/>
- Step 3
 - Discussion Questions
 - Make sure not to spend too much time on this step because you need to be able to make your Crossroad(s) Map in Step 4. This should last no longer than 15 minutes!
 - If you have mature believers in your group, I like questions **1, 3, & 5.**
 - If you have newer believers, I like questions **2, 4, & 5.**
- Step 4
 - Talk through your Crossroads Map.
 - The goal was to determine 5 nonbelievers in your Crossroads.
 - ***If your group confused by the Crossroads Map***, watch the video online again and complete it as a group.
 - ***If a member can't come up with 5 people***, challenge them to come up with just one or two.
 - Read the rest of Step 4 on page 60.
- Step 5
 - Every now and then, the GO for your whole group will already be set. This is one of those meetings.
 - All you need to do is determine HOW and WHEN to seek prayer requests from your people.
 - Pray for whatever they ask you to. Later on, start praying for their salvation.
- Next Meeting Objectives
 - **Tell your group that you will be praying for these people together next meeting.** Thus, taking this GO is PARAMOUNT, for it will give you a request to pray about.
 - Set their expectations. **Tell them this is the last major workbook assignment in GO Groups.** Yet they definitely need to complete Steps 3 & 4 of Meeting 10 (pages 63-66; 45 minutes) before next time.
 - **Coming unprepared to this meeting would be such a wasted opportunity!!!**
