

Meeting 14

- Before Meeting
 - Ensure that your group has a means to view the 15 Second Testimony Training Video. I'd recommend a laptop or tablet so the screen is big enough for all to see and hear.
 - You will want to make sure you are in an environment that isn't too noisy or distracting. Thus, you may have to find a new location for this meeting.
 - Send them this link: <http://yourgogroup.org/meeting-14/>. Tell them to watch the **FIRST** video beforehand to save time.
 - **IF THIS WERE ME:** I am coming prepared to the meeting with my 15 Second Testimony already complete. Click the link above, watch the SECOND video, and complete Step 4. This will allow me to focus on helping group members instead of working on my own testimony.
- Step 3
 - Heed the 10-minute discussion time recommendation! Don't go too long here!
 - All the questions online are good. Pick 1 or 2 that you think are most relevant to your group.
- Step 4
 - Make sure you watch the video and look to the **WORD BANK** for suggestions.
 - Practicing this is really important. Your group needs to know this **so well** that they could teach it to someone else.
