

Meeting 18

- Before the Meeting
 - Send group this link: <http://yourgogroup.org/meeting-materials/meeting-18/>. Tell them to watch the video beforehand to save time.
 - If you didn't already, make sure your group comes prepared to decide how your group will multiply. Aka – be ready to fill out the chart on page 101.
- Step 3
 - Don't neglect this! This is the last time the workbook will prompt your group to practice the 15ST. Make sure everyone has it down! Spend extra time practicing if you have to.
- Step 4
 - **I like all 5 questions here. Work through as many as you can, but make sure you specifically ask #5 at the end.**
 - Work through Romans 12:1-2 with these questions:
 - What is the mercies of God Paul is referring to? Why is it so important that Paul doesn't remove this and go straight into the command to offer our bodies as a living sacrifice?
 - *A: Jesus dying on the Cross is the mercy in view here. Christ's obedience to God on the Cross is our source for obedience to God in our lives. If you remove the mercy of God from our obedience, you reduce Christianity down to moralism.*
 - How does the world try and conform us away from taking the gospel to the lost?
 - Have you discerned what God's will is for your life? Aka – What is He commanding you to do?
