

Meeting 21

- Before the Meeting
 - Send group this link: <http://yourgogroup.org/meeting-materials/meeting-21/>. Tell them to watch the video beforehand to save time.
 - If you want to go through the verses listed on this webpage, make sure you have your group read through them beforehand to save time.
- Step 3
 - Make sure you spend some quality time working through this. Go back to page 109-110 if you get stuck. DON'T NEGLECT THIS. Put in some reps!
- Step 4
 - **Questions 1-4 are my favorite.** Go through 5-6 if you have time.
 - You may want to allot some time to work through the verses listed. There is some good truth in them! **We share the gospel because the grace displayed on the Cross changed EVERYTHING for us, and we want everyone to experience Christ like we have.** It is NOT a religious duty, but a mature believer sees it as joy. If it isn't a joy for you/your group, you know what to be praying for.
- Next Meeting Objectives
 - You only have 3 meetings left! Put a fire under your group to start seeking out new believers (in the church or outside the church) who need to be raised up as fishers of (wo)men.
