

Meeting 5

- Before Meeting
 - Hold your group members accountable to their roles (if you chose to do this)!
 - Remind your group to complete Step 3 and 4 of Meeting 5 (pg 23-31). **This should be done during the first time of abiding after Meeting 4!**
- Skip to Step 5
 - Discussion
 - Stop down on page 23 and reiterate this about the Competencies of Christ: **You might know how to do some of these things already. But you need to know it so well that you could train someone else on it!**
 - Spend 5-10 minutes answering the 3 Discussion Questions that recap Steps 3&4. Don't bog down here!
 - Read
 - Make sure you manage your time here (about 10 minutes).
 - Reference my answers (starting on page 145).
 - Reflect
 - This will take 20 minutes.
 - First 10 minutes – Answer your questions as a group.
 - Last 10 minutes – Word Study on “meekness” using Blue Letter Bible. *This step might not be the best idea for your group. Don't do this if it frustrates your members (too much grammar, technology issues, etc.)*
 - Respond
 - It is not required to take this GO on top of your current GO of abiding with God. Yet I will take this GO on. I want the move from reflecting to responding to become automatic for my group, and this is a chance to set an example.
- Step 6
 - I recommend that your group picks a book of the Bible to work through. I'd recommend Philippians or Colossians.
 - But you are welcome to do whatever (reading plan, devotional, etc.)
 - Reiterate the Warning – ***We must all be green light next week.***
 - The goal is to do better than you have been doing.
 - Keep doing your roles!
