

## Meeting 7

- Before the Meeting
  - Remind everyone to take the Spiritual Gifts Assessment (pages 40-46)
- Step 4
  - Someone might want to discuss the theological issues they have with these spiritual gifts. If this happens, direct the group back to page 40 and read the **third paragraph**.
    - Feel free to throw me under the bus. I can take it. Instead of losing meeting time on something the church hasn't solved in millenniums, **tell them to email me**.
  - Discussion Questions
    - Spend a lot of time on these discussion questions! Get to know one another. Encourage and edify one another in your gifting.
    - Be willing to correct group members who have a false perception of themselves.
    - Really drive this point home: EVERYONE BRINGS SOMETHING TO THE TABLE!
  - Moving Forward
    - If you have time in your group, it is best to have everyone fill out the volunteer form. Even if you are already volunteering in the church, everyone needs to fill it out.
